☛ We inform our authors and readers that now our magazine “METALURGIA INTERNATIONAL” is introduced in **THOMSON SCIENTIFIC MASTER JOURNAL LIST**, letter M, position 400. For next information please access www.isinet.com position <http://scientific.thomson.com/cgi-bin/jrnlst/jlresults.cgi>
METALURGIA INTERNATIONAL is evaluated by Romanian Council for Research and Development in Universities into category “A” (see CNCISIS Website).
☛ The publisher is honoured to inform the readers and authors that beginning with volume XII (2007), METALURGIA INTERNATIONAL is indexed and abstracted in the following:

- Science Citation Index Expanded (also known as Sci Search*)
- Journal Citation Reports/Science Edition

These elements represent Thomson Reuters products and custom information services.

1. The “METALURGIA INTERNATIONAL” magazine receives manuscripts of papers including basic scientific research and industrial research in the following fields: metallurgy, materials science and engineering and different relating processes.
2. Original papers not previously publishing in any other journal, or not sent for publishing before, are accepted.
3. After publication, the copyright is transferred to the publishing house.
4. Every manuscript will be referred, their reports form the basis of the Editor's decision.
5. The manuscripts sent to the Editor will not returned to the author, even they are not published.
6. The manuscripts will be sent to the following address:
